L. A. H. WINCKLER,
For *Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDING ENGINEER, ELECTRICAL DEPARTMENT, BANGALORE.

Notification dated 12th October 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Superintending Engineer, Electrical Department, Bangalore, upto 3 P.M. on the 12th November 1938, for constructing Electrical Buildings at Sidlaghatta Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The works should be completed by the end of February 1939.

2. The plans, detailed estimate and conditions may be seen at the Office of the Superintending Engineer, Electrical Department, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Superintending Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 350 cash or Government promissory notes, as earnest money and be superscribed "Tender for constructing Electrical Buildings at Sidlaghatta Town" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

6. Within eight days (8) of the acceptance of any tender the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be pasted on to the Notice Board in the Superintending Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on the rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Public Works Department or those fixed by the Superintending Engineer, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintending Engineer will be final and legally binding.
